Position No.	Date of Last obs.	No. Guns	Radars	REMARKS
52	SEE NOTE NO. 2			
53	24 Jan 53	0	0	
54	8 Nov 52	8	1x584/2x602	Guns not emplaced
55	15 Nov 52	8	584	8 guns and 1xSCR 584 observed 1 Oct 52
56	21 Jan 53	?	584	Guns not yet observed

Note 1. Question marks in some of the columns indicate that poor visibility or other factors prevented confirmation of presence or absence of the equipment on the date of observation. The date of last accurate observation is in the remarks column.

Note 2. This is probably not a position. Guns and a radar have been previously observed. However, the impression is that this is possibly a small repair point for AA equipment.
